A Warm Hello from us at de Rust

The days are cold, but our hearts are full!

To every son, daughter,
spouse and family friend.
Please know your loved
one is loved and cherished.

Please remember toiletries each month!

We kindly ask families to
ensure residents have their
personal care items topped
up. Think deodorant, lotion,
denture products,
toothpaste, soap.

Winter Fun for Everyone

Our Winter Wonderland
tea was a sparkling
success! Yes - there was
suppose to be bear-
shaped flapjacks... they
looked more like confused
pandas, but the residents
loved them. Thank you for
everyone who helped
make the day special!
